WE'RE ALL ABOUT
INNOVATION

WHY CLIENTS CHOOSE CENTURION

- ✓ Innovative products at the Leading Edge of Industry Technology
- ✓ Premium Quality Doors manufactured using Genuine Australian Made BLUESCOPE Steel
- ✓ Australian owned and operated since 1976
- ✓ The largest privately owned and operated Garage Door Company in Australia

Australians are famous for their innovation and we at Centurion Garage Doors are proud to be the leader in our field producing quality 'leading edge technology' in garage door products.

Our latest innovation is our revolutionary low head room 'Tuff Track' and 'Click and Go' track system. Over 10,000 hours of research and development by our engineering team, delivers a tracking system that needs less head room than other sectional doors.

MARK & STEVE CANNING

Australian owned and operated since 1976.

Centurion Garage Doors have always been known as "The Industry Innovators".

We are now the largest privately owned Garage Door Manufacturer in Australia.

We have been responsible for the design and introduction of products such as Finger-Safe™ Sectional Doors, Ultimate Custom Designer Doors, Avanti Door Openers and our innovative Timber Look Doors.

Centurion are constantly pioneering industry change and innovation.

Centurion's CLICK and GO track curve (Patent Pending), fast installation, super strong and quieter operation, with greatly reduced maintenance.

Centurion's unique TUFF TRACK (Patent Pending), up to 50% stronger than normal tracks and our factory pressed bracket system for a neat and professional looking installation.
